

**REMARKS**

Applicant is submitting this Amendment to correct typographical errors in claims 1, 8 and 10. Claim 1 is further amended herein to effect the first listed amendment of the Examiner's Amendment mailed on December 21, 2007. Applicant believes the Examiner's first amendment of claim 1, part (a), may have been ineffective, as the phrase "nucleic acid molecule, an expression thereof" did not appear in claim 1. No new matter has been added.

**CONCLUSION**

In the event the U.S. Patent and Trademark Office determines that an extension is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 23/2825 referencing docket no. B0801.70231US00.
